

Subject: APPF 2027 Second Announcement: Website Launch, Mini-Symposium Proposals & Early Bird Registration.

Dear Colleagues,

On behalf of the Organizing Committee, we are pleased to share the **Second Announcement** of the **10th Asian Pacific Phycological Forum (APPF 2027)**, to be held in **Ho Chi Minh City, Vietnam, from 10–14 May 2027**.

Preparations for APPF 2027 are progressing well, and we are delighted to announce the following updates:

- **The official APPF 2027 website is now online:** <https://appf2027.com/>
- **Call for Mini-Symposium Proposals is now open.** We warmly invite colleagues to organize mini-symposia on topics relevant to the conference theme. **Submit your proposal** [here](#).
- **Early Bird Registration and Abstract Submission** will open on **1 August 2026**.
- **Publication Opportunity:** All presenters are encouraged to submit their manuscripts for consideration in a **Special Issue of the *Journal of Applied Phycology***. All submitted manuscripts will undergo the journal's standard peer-review process, and acceptance for publication will be based on the reviewers' recommendations and the journal's editorial policies.

The Organizing Committee continues to develop the scientific program and regularly updates the conference website. We encourage you to visit the website frequently and share this announcement with colleagues who may be interested in participating.

If you have any questions, please do not hesitate to contact us.

We look forward to welcoming you to Ho Chi Minh City for APPF 2027 and to celebrating the **30th Anniversary of the Asian Pacific Phycological Association (APPA)** together.

With kind regards,

Assoc. Prof. Dr. Nguyen Van Tu
