

APPF 2027 Announcement No. 3

Subject: Update on Mini-Symposium Proposal Submission and Extended Deadline

Dear APPA Colleagues and Friends,

Greetings from Vietnam and the Local Organizing Committee (LOC) of APPF 2027!

We have received reports of technical difficulties with the online submission of mini-symposium proposals through the APPF 2027 website. We sincerely apologize for any inconvenience this may have caused.

To address this issue, we have updated the [Mini-Symposium Proposal submission page](#) to include a downloadable proposal template. You may download and complete the template and email it directly to the APPF 2027 Secretariat at appf2027vn@gmail.com.

In view of these difficulties, we are extending the **deadline for mini-symposium proposal submissions to October 25, 2026**, and rescheduling the **announcement of accepted mini-symposia to October 30, 2026**. Any further adjustments resulting from this change, including registration deadlines, will be communicated in a subsequent announcement.

Important notice for proposal submitters: If you have already submitted a proposal but have only received an automated confirmation and no follow-up communication from the Secretariat, please resubmit your proposal via email to appf2027vn@gmail.com.

Thank you for your patience, understanding, and cooperation. We apologize for any inconvenience and look forward to receiving your proposals and working with you toward a successful APPF 2027.

We look forward to welcoming you to Ho Chi Minh City, Vietnam, in May 2027!

Sincerely,

Assoc. Prof. Dr. Nguyen Van Tu

Chair, Local Organizing Committee, APPF 2027
